### Notes

- Access cards for the main gate and clubhouse are available to adult members from the Membership Director. Access cards cannot be provided to Junior Members. There is an additional \$ 25 charge (plus \$1.25 GST) for a replacement for each additional access card.
- Boat Storage spaces are assigned by the Rear Commodore, after application and payment have been processed by the Membership Director. New applicants will be advised of availability of boat storage space. Fees may be refunded if space does not become available by year-end. Boat ground storage space requires a launch dolly, as there is no room for road trailers. Members must always sign the log book to record their boat usage. Renewal applications for storage of inactive boats will not be processed and the Executive will require boat removal by the end of March.
- All Club members are expected to attend the annual sail past, and boats owners to participate on the water.
- Lockers are assigned by the Membership Director, as available, with priority given to members with boat storage spaces assigned and who have paid for lockers. Members must provide their own locks and contact details on their lockers.
- Initiation fees and membership dues are non-refundable.
- Co-op membership is available for juniors who meet the qualification criteria
